

For Immediate Release

Glover Construction Selects CLC Lodging To Reduce Lodging Costs and Provide Quality Hotels for their Employees

Wichita, Kansas (Feb. 6, 2017) Leading mass excavation firm, Glover Construction has selected CLC Lodging, a subsidiary of FLEETCOR Technologies, Inc., to simplify their workforce lodging needs and improve their profitability in 2017 and beyond.

Glover Construction, a leading mass excavation firm in the southeast U.S., started more than half a century ago, has chosen CLC Lodging to provide lodging management services for their large fleet and support their spotless reputation of tackling difficult projects and consistently delivering a finished job on time, on budget, and in a safe manner. CLC Lodging will reduce Glover's lodging cost while giving them greater visibility and control for their employee's lodging.

"We transitioned to CLC to simplify our hotel booking and invoicing process. Their customer service and user-friendly interface has allowed us to streamline the payment and invoicing process, while providing quality hotels for our employees at reasonable prices." said Catherine Glover, Human Resources Coordinator of Glover Construction Company, Inc.

CLC's responsibilities include managing a nationwide network of hotel partners, which Glover Construction will access to maximize their travel efficiency and save on lodging costs utilizing comprehensive online apps and enhanced tracking and reporting.

"We are pleased that Glover Construction has entrusted their lodging function to CLC Lodging. They have joined a growing number of companies in the construction industry who are increasing their profits by utilizing our services which allows them to focus on their core competency and growing their business." said Derrek Schartz, Sr. Vice President Sales of CLC Lodging.

CLC has supported its clients for 40 years with services including streamlined hotel payment, contracted rate compliance, cost coding, detailed reporting and custom hotel contracting.

CLC Lodging (www.clclodging.com) is a division of FLEETCOR, a leading independent global provider of specialized payment products and services including fleet cards, food cards, corporate lodging discount cards and other specialized payment services for businesses throughout the world. CLC has 40 years' experience as a leading provider of workforce lodging management programs to businesses, serving thousands of clients in North America. CLC's clients purchased more than 13 million room nights during 2016 across CLC's proprietary network of thousands of hotels.
